

Do you like snails?

Neil calls me Spike. I'm a hedgehog and I live in his garden. I sleep in the day. Neil says I'm his night pet.

I eat at night. My favourite food is insects, but I like apples and eggs too. And juicy worms and snails. Mmm! Do you like snails, too?

Sometimes, Neil gives me water in a bowl. Milk is not good for us hedgehogs. So I never drink it.

Wait a minute! I can smell something! A frog!
Oh, I like them crunchy. I'm full up, now. *Burp!* Oops. Sorry!
I can hear someone now. In the summer they often have breakfast in the garden. I feel sleepy. Goodnight!

Pass me the sugar, please!

Dad: Sarah, would you like some toast?
Sarah: Yes, please. Can you pass me the butter too, please?
Dad: Ham?
Sarah: No, no meat, thanks. Can you pass me the sugar please?
Dad: Sugar? Do you like sugar? On toast?
Sarah: Yes, I like it sweet.
Dad: Would you like some cereal?
Sarah: Yes, please. The chocolate flakes.
Dad: Sugar on toast, chocolate flakes....so much sugar.
Neil: Sarah, have a grapefruit. I put lots of sugar on it for you.
Sarah: Thanks. Hey! Ugh! This is not sugar, it's salt!
Neil: Oops! Here, have a glass of water.
Sarah: Yeah? And what's in the water?
Dad: Come on! It's half past seven. You're late for school.
Put on your school uniforms and hurry up.
