

## In my lunch box

- Derek: What is that in your sandwich? Is that tomato?
- Rebecca: Yep, tomato and ham.  
Are you ready for the maths test after lunch?
- Derek: No! Not again! Not twice in one week!
- Rebecca: What? This is the first maths test this week.
- Derek: No, I mean, not peanut butter sandwiches in my lunch box again.
- Rebecca: Oh! Maybe Paula can swap with you.  
She has cheese sandwiches today.
- Derek: No, I don't like cheese.
- Rebecca: So, what do you like?
- Derek: I don't know, tuna fish, eggs, salami.... maybe a salad.
- Rebecca: And who makes your lunch?
- Derek: My big sister.
- Rebecca: So, why don't you make your own lunch, then?
- Derek: You always have an answer don't you?
- Rebecca: No, not always. Not in maths.
