Come on in ... if you dare!

Hi! I'm Mary's older brother, Diego. Come – I want to show you her room. Ready? It's very messy! Look at all the clothes on the floor and the bed and the desk. Terrible!

See that big thing in the corner of her room? That's a wardrobe – and that is where she should put her clothes! She has also got a chest of drawers. This is where she can put her socks and underwear and stuff.

Over in that corner Mary keeps her three skateboards. That's right! She has got three! She's crazy about skateboarding! And there, next to her bed, is where her dog sleeps. She's crazy about him, too. Actually, I guess she is just crazy. Full stop.

She has got a great view out of the window. Can you see? That's our garden. It's pretty big, with lots of room to play football in. Look over there! That's our favorite tree. We have a tree house up there in the branches.

What's that? Do you want to go outside? OK – go on then! I'll come soon. But right now, I want to tidy up her room a little...
