

Hungry?

It's twelve o'clock and the bell rings.

Mary At last – the lunch bell! I'm starving!

Jane Me too! Come on then. Let's go to lunch.

In the school cafeteria.

Jane Mmm... That looks good! I want the fried chicken with a green salad and dressing. A glass of milk and some fruit salad for dessert. What about you?

Mary No thanks! I'm vegetarian – remember? I'd like the veggie pizza with peppers, onions and mushrooms. Oh yes – and I want some peas, carrots and broccoli to go with that. What else? A glass of water, perhaps? Oh – and look! My favourite – ice cream with chocolate sauce! And those brownies just smell so delicious! I'd like a small one, I think. And...

Jane Er... Mary? I think your eyes are bigger than your stomach! Can you really eat all that?

Mary looks at her tray.

Mary Oh dear! You're right.
No ice cream or brownies for me....
