

Do you like cars?

Karen

This is my family. We live in Detroit. We're all crazy about cars. That's my brother. His name is Bruce. He's nineteen. He's wild and crazy. Check out his new green motorbike.

Look at my grandma. Her name is Stella. She's sixty-five. She's so cool. Her black and white car is awesome! Just listen.

I've got a daughter. Her name is Laura. She's forty-five. She's the best driver in the family. Her car is purple.

I'm Laura. My husband's name is Frank. He's forty-three. He's a wonderful dad. The kids love him. His car is pink and brown.

Mom

Look at my dad. His name is Bob. He's sixty-seven. His car looks like a rainbow. He's a fun grandpa.
