

Lee's wish list

- Karim** All right, Lee? What are you doing?
- Lee** Not much. I'm looking at my calendar.
- Karim** Anything exciting planned?
- Lee** History test on Thursday, and it's my birthday on the 23rd.
- Karim** That's next week. Have you got a wish list?
- Lee** Kind of. I want a snake, but Mum says we can't afford it. I also asked for a mobile.
- Karim** You own a mobile, don't you? I thought I saw you with one.
- Lee** I borrow my dad's old mobile.
- Karim** It's enormous, like a brick.
- Lee** That's true. Anyway, I can't download MP3s. In fact, it doesn't even have a colour screen.
- Karim** That's ridiculous!
- Lee** Yeah, right. I can't play games without a decent screen.
- Karim** Haven't you got any video games on your list?
- Lee** Of course. I'm thirteen, so I'm allowed to play *World of Warcraft*.
- Karim** Fingers crossed, then.
